Objective

I am a highly motivated Doctor of Veterinary Medicine graduate with distinction (CGPA 3.84/4.00) and hands-on clinical experience from internships in pet clinics. With a deep passion for animal welfare and pet healthcare, I bring strong diagnostic skills, compassion in handling animals, and the ability to educate pet owners. I thrive in clinical environments and am eager to contribute to a forward-thinking veterinary practice where I can continue learning and make a meaningful impact.

Experience
